

Pick the Right One  
With the LightOne

# LightOne Pro

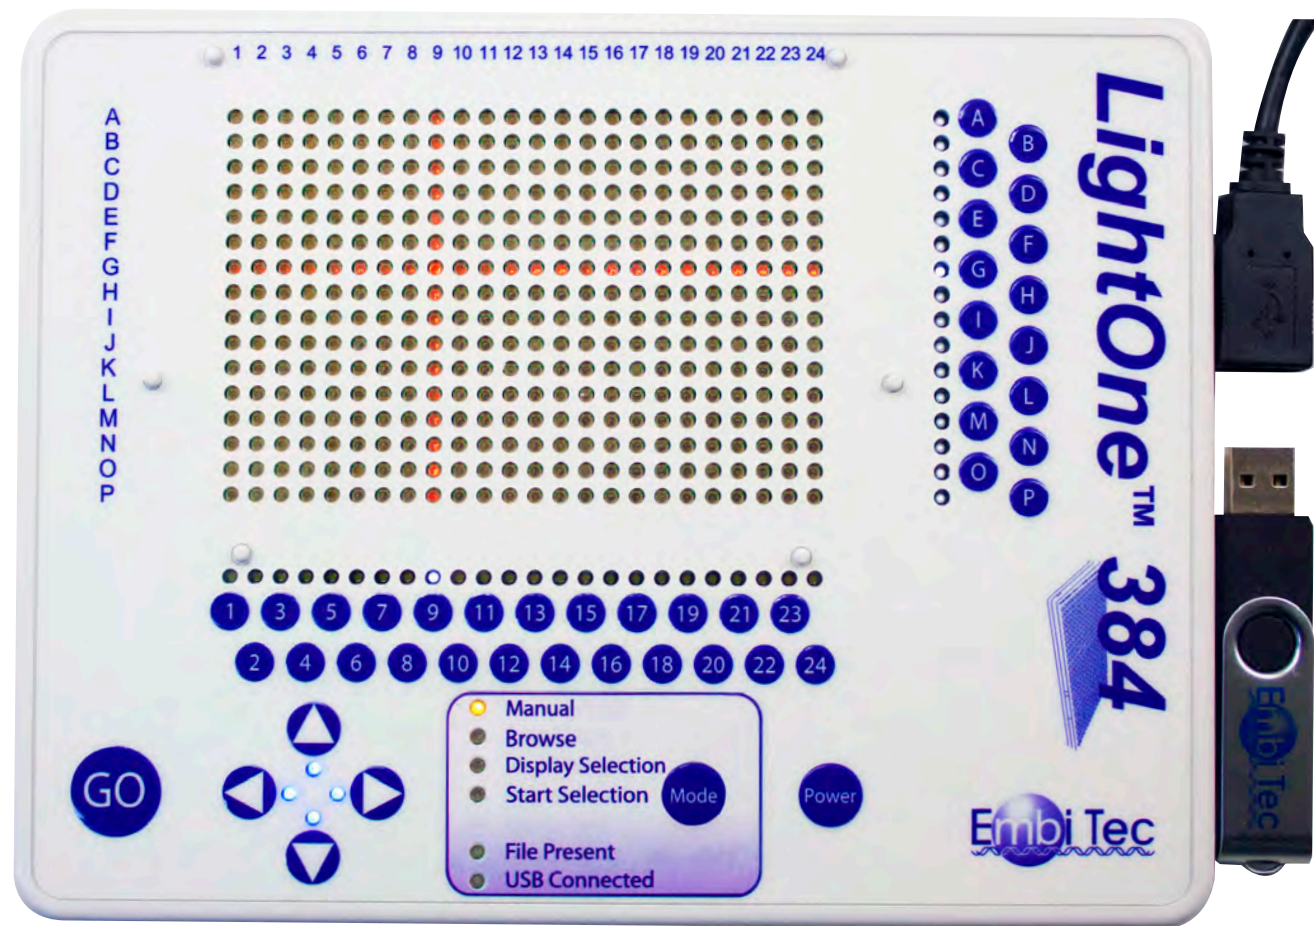

Catalog No.  
LI-2100  
\$899

Bringing confidence well by well

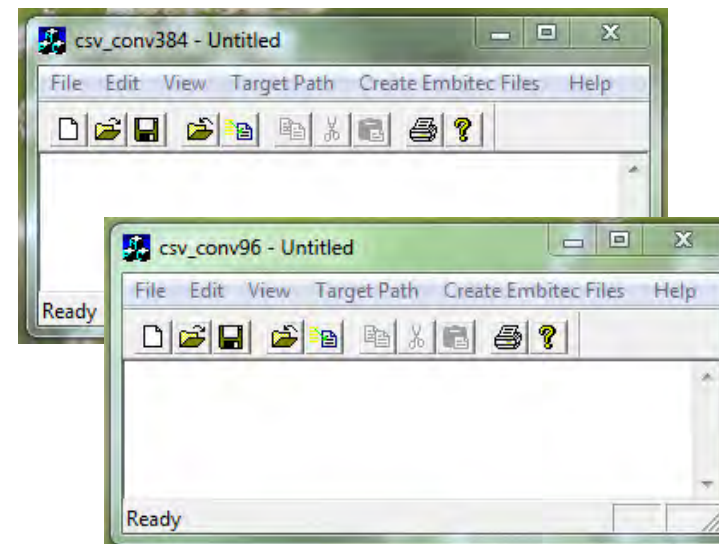

# LightOne Pro

## Cherry-Pick!

- Programmable for maximum flexibility
- Portable, stand-alone unit does not restrict you to being next to a computer
- **WARNING:** Will relieve high volumes of stress and induce relaxation. Use as much as needed

# USB Drive with 96 and 384-well Converters

- Convert your csv files with the 96 or 384-well converter
- Pre-programmed templates available

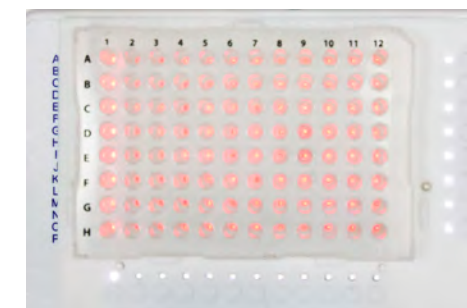

# Silicone 96-well adapter

- Avoids confusion when pipetting a 96-well plate
- Fits non-skirted, semi-skirted or fully skirted plates

384-well

96-well
